MESSAGE

S.HARIKISHORE IAS
Director, I&PRD, KERALA

We are in an era of information revolution where media has become the paramount measure in every sectors of governance. In a state like Kerala, with a higher percentage of cyber proficiency and media indulgence, it is important to

utilize these advancements to augment administration. PRD media handbook had proven to be the bridge in between government and public for the last two decades. In addition, PRD media hand book application has also been serving this purpose since 2018. During this era of a global pandemic the execution wing was more efficient by these guidelines. When the disastrous epidemic hit our state last year, the PRD app was the associating factor between the public and authorities.

We hereby present the media handbook 2021 to all the governmental, non governmental officials and to the media and public. As a green initiative I advice everyone to install the PRD media handbook application in order to reduce the carbon foot print.

I wish a prosperous and joyful year ahead.

A handwritten signature in black ink, appearing to read 'Harikishore', written over a horizontal line.
